SEE YOUR COACH BEFORE YOU PURCHASE EQUIPMENT. There are specific types of equipment the coaching staff is requesting swimmers use. *This equipment is required by each swimmer by September 30, 2001.*

The club does order equipment. The higher the number of items purchased at one time, the lower the cost will be for each swimmer. To participate in this bulk order, you must have your requests into the club office by Sept 20, 2001.

The uniform and/ or equipment you are purchasing will be billed to your account or you may pay at registration.

Any questions regarding this form or to try sizes of the different items, please contact our Club Uniform Representative (Andrew Lennstrom) at the club office. If you have other questions, please see your coach.
